IRRIGATION & CAD (PW-Reforms) DEPARTMENT

G.O.Ms.No. 56

Dated: 05 -06-2010.

Read the following:-

From the Chief Engineer, Central Designs Organisation, Hyderabad, Lt.
No.CE/CDO/B&CS-II/1218/775, dt:2.2.2010.

ORDER:

The Chief Engineer, Central Designs Organisation, in the letter read above has communicated a copy of the minutes of the Standing Committee on Mini Hydel Schemes wherein the said committee has recommended for issuance of “No Objection Certificate “ for establishment of 2x750 KW Mini Hydel Scheme by M/s Lakshme Jala Vidyut Pvt., Ltd., on Musi River d/s of Narayana Rao Katwa, near Marripally (V), Hayatnagar (M) in Ranga Reddy District stating that the Proposal Project was registered with NEDCAP by M/s Pioneer Powers Private Ltd., Hyderabad and which was renamed as M/s Lakshme Jala Vidyut Pvt., Ltd., and accordingly NEDCAP vide their letter NEDCAP Lr. No. NEDCAP/MHS/STEPL/N-296 /2008-09/2918,dt 27-4-2009. The Standing Committee in their meeting on 23-01-2010 discussed and agreed that the scheme is technically and hydrologically feasible and recommended for issuance of “No Objection Certificate” to M/s Lakshme Jala Vidyut Pvt., Ltd., for establishment of 2x750 KW capacity of Mini Hydel Scheme on Musi River d/s of Narayana Rao Katwa, near Marripally (V), Hayatnagar (M) in Ranga Reddy District subject to the following conditions:-

- 1) The scheme envisages construction of weir to divert water for power generation.
- 2) The LI Schemes U/S and D/S if any within the reach shall be protected and water supply shall be assured for functioning of LI schemes by the promoters of the above Mini Hydel Schemes.
- 3) The drawal of water shall be regulated and the water level always be maintained upto the crest level duly utilizing only the surplus water.
- 4) The agency has to obtain the consent of land owners whose land is coming under acquisition before commencement of work, so as to avoid legal complications.
- 5) Environmental and Forest clearances are to be obtained from the competent authority duly following the procedures in vogue and shall be submitted to the concerned Superintending Engineer, I & CAD Department before grounding the scheme.
- 6) The availability and sparing of water required for the Project, for the specified period in the system is not the responsibility of the I & CAD Department.
- 7) There shall be regulating arrangements for controlling the Discharges for lower riparian rights. The water after generation shall be let out through by pass channel which is part of scheme.

//2//

- 8) The designs of civil works have to be got approved by the Competent Authority of the I & CAD Department.
 - 9) Financial viability is the responsibility of the Agency and it does not come under the purview of the Committee and there should not be any impact on water management of the system.
2. Government after careful examination of the proposal and based on the recommendations of the standing committee hereby issue "No Objection Certificate" to M/s M/s Lakshme Jala Vidyut Pvt., Ltd., for establishment of Mini Hydel Scheme with capacity 2x750 KW on Musi River d/s of Narayana Rao Katwa, near Marripally (V), Hayatnagar (M) in Ranga Reddy District subject to conditions 1 to 9 Specified above, in addition to General and Technical Conditions stipulated in Go.Ms.No.165 I&CAD Department dt 11.7.2007 and Govt Memo.No.1088/Reforms-A2 /2010,I&CAD(PW-Reforms) Department. Dt.10.2.2010.
3. The tariff for power shall be fixed by the State Regularity Commission i.e., A.P.E.R.C as per the existing guide lines. The tariff for water usage will be fixed by the I & CAD Department.
4. The provisions of the Electricity Act 2003 shall be followed strictly with regard to sale of power.
5. All the General and Technical conditions specified in G.O.Ms.No. 165 Irrigation & CAD (PW-Reforms) Dept. dt. 11-7-2007 and also subject to conditions 1 to 9 specified at above para 1 are also to be incorporated in the Agreement.
6. The Engineer-in-Chief (Irrigation wing), Hyderabad. Shall take further necessary action in the matter.
